

The International Baccalaureate

Guide to university recognition in India

February 2019

International Baccalaureate®
Baccalauréat International
Bachillerato Internacional

This aim of this booklet is to provide an overview of university recognition in India with statements and website links of universities in India with updated policies. This is a guide for all stakeholders to understand the recognition landscape in India. As higher education institutions in the India respond to the growth of the IB, the booklet will be updated on a regular basis.

Overview of higher education in India

In India, "University" means a University established or incorporated by or under a Central Act, a Provincial Act or a State Act and includes any such institution as may, in consultation with the University concerned, be recognized by the University Grants Commission (UGC) in accordance with the regulations made in this regard under the UGC Act, 1956.

At present, the main categories of University/University-level Institutions are:

- Central University
- State University
- Private University
- Deemed-to-be University
- Institution of National Importance
- Institutions under State Legislature Act

There are 45 Central Universities, 318 State Universities, 185 State Private universities, 129 Deemed to be Universities, 51 Institutions of National Importance, and 4 institutions established under various State legislations. The number of colleges affiliated to these universities has also grown to 37,204, as on 31st March, 2013.

University Grants Commission

The UGC is responsible for providing funds, coordination, determination and maintenance of standards in institutions of higher education in India. It also serves as a vital link between the Union and state governments and institutions of higher learning and advises the Central and State governments on the measures necessary for improvement of university education. The universities in India are granted recognition by UGC in accordance with the regulations made under the UGC Act, 1956. Before enrolling to a university, students must check the recognition status of the university.

Applying to Indian Universities

Entry to undergraduate courses is based on the performance in grade 12 examination and/or entrance test. Entry requirements vary from university to university and course to course. Prior to commencing the DP, students and parents must be familiar with the required subject combinations and levels for the student's future career path; this should ensure students' eligibility for particular professional courses. A student interested in studying an undergraduate course must make direct contact with the college or university he or she would like to attend to check specific course and entry requirements.

Most of the professional institutes in India today prefer to conduct entrance exams for selecting candidates. The entrance tests are in the month of April/May or June. While some institutes participate in a common entrance exam, others may conduct their own individual entrance exams. It is important to check the application deadline for each institution, as deadlines may vary. A number of universities in India accept students provisionally on the basis of predicted grades. Please talk to your school college counsellor or the IBDP coordinator to help you with the admission process.

Engineering

Admission to Undergraduate Engineering Programs at NITs, and other Centrally Funded Technical Institutions is based on the performance in the Grade 12/equivalent qualifying Examination and in the Joint Entrance Examination, JEE (Main).

For admission into IITs, the top 150, 000 candidates who qualify the JEE (MAIN) exam appear for JEE (Advanced). Admissions is based only on category-wise All India Rank (AIR) in JEE (Advanced), subject to conditions as defined in JEE (Advanced) website.

A number of universities conduct their own entrance tests as well, students should refer to the university website for the most up to date information.

Medicine

There is a requirement to study three sciences (Physics, Chemistry and Biology) for studying medicine in India. The IB gives permission to students to take the three sciences. Students can explore two options; the first option is to take an additional science subject as an 'extra' certificate. Although this will come with extra work, the overall score for this extra course will not count towards the IB diploma score, and therefore the utility of taking the extra course is simply to satisfy the entrance requirements for the university requiring three sciences. The second option is to apply for a non-regular IB diploma, thus allowing three sciences to be completed, usually in lieu of a group 3 (Individuals and societies) subject. A candidate may be authorized to take a non-regular diploma only if the proposed higher education course allows no other alternative. The student must contact the IB coordinator at the school to proceed with this request. Please note that this request must be submitted to the IB Cardiff office (via the IB coordinator) at least 18 months prior to the examinations. Taking three sciences only helps meet the minimum entry requirements for studying Medicine in most colleges, students often will have to sit the entrance test which may require additional tutorials.

Admission to medicine is based on the entrance test, the All India Pre-Medical/Pre-Dental Entrance Test (AIPMT) for the 15% merit positions in the Medical/Dental Colleges of India. There are also State Governments/Universities/Institutions voluntarily participating in the All India Pre-Medical/Pre-Dental Entrance Test. A number of universities conduct their own entrance test. Students should check the university websites for details on the entrance tests required.

Accreditation

National Assessment and Accreditation Council, was established by the University Grants Commission to evaluate the quality of higher education in India. In addition to that, Professional councils are responsible for recognition of courses, promotion of professional institutions and providing grants to undergraduate programmes and various awards. There are 15 professional councils in India including All India Council of Technical Education (AICTE) which recognizes technical education in India and Medical Council of India (MCI) recognizes Medical education in India amongst others. Before enrolling for a professional course, students must check if the institute has the relevant accreditation.

Evaluation of Foreign Degrees

The Association of Indian Universities is a society which promotes universities activities. The Evaluation division of AIU is responsible for the work relating to equivalence of degrees/certificates

awarded by the accredited foreign universities/educational institutions. The Division also provides information to foreign students to facilitate their admission in Universities/other educational Institutions in the country.

Please note: Before enrolling to a university, students must check the recognition status of the university.

Recognition of the IB Programmes in India

Since 1983 **International Baccalaureate Diploma** has been recognized by the Association of Indian universities as an entry qualification to all universities in India. With the requirement for percentage conversion by universities in India, students applying to Indian universities receive a transcript with IB grades and suggested percentages. In order to receive Indian Transcripts, students must notify their Diploma Programme (DP) coordinator of their plan to apply to an Indian university. The coordinator will then submit the request using the Request for results service on IBIS (secure website for IB coordinators).

Students applying to Indian Universities can apply for an equivalence certificate from AIU upon release of their results, or apply directly to the eligibility department of the university they wish to attend.

The International Baccalaureate **Middle Years Programme** has also been given equivalence with grade 10 of an Indian Board Assessment by the Association of Indian Universities. Students having completed the MYP can apply for admission for higher studies in any school or college in India

Transcripts request analysis from schools in India and Indian universities

Proportion of transcript requests to countries for schools in India.

Top 15 destinations in May 2018 to universities worldwide from schools in India.

Top 15 Indian universities destinations in 2018

Documents required for admission to Indian Universities

Indian percentage transcript issued after the release of results to the DP coordinator at the school.

Migration certificate issued after IB exams in the month of May downloadable from IBIS (secure website for IB coordinators).

Important to Note: For students to get the documents from the IB, a request for an Indian transcript should be made through IBIS by the Diploma coordinator for the current exam session candidates before the results release. After results release students alumni should make the request directly through the link <http://www.ibo.org/programmes/diploma-programme/assessment-and-exams/requesting-transcripts/>

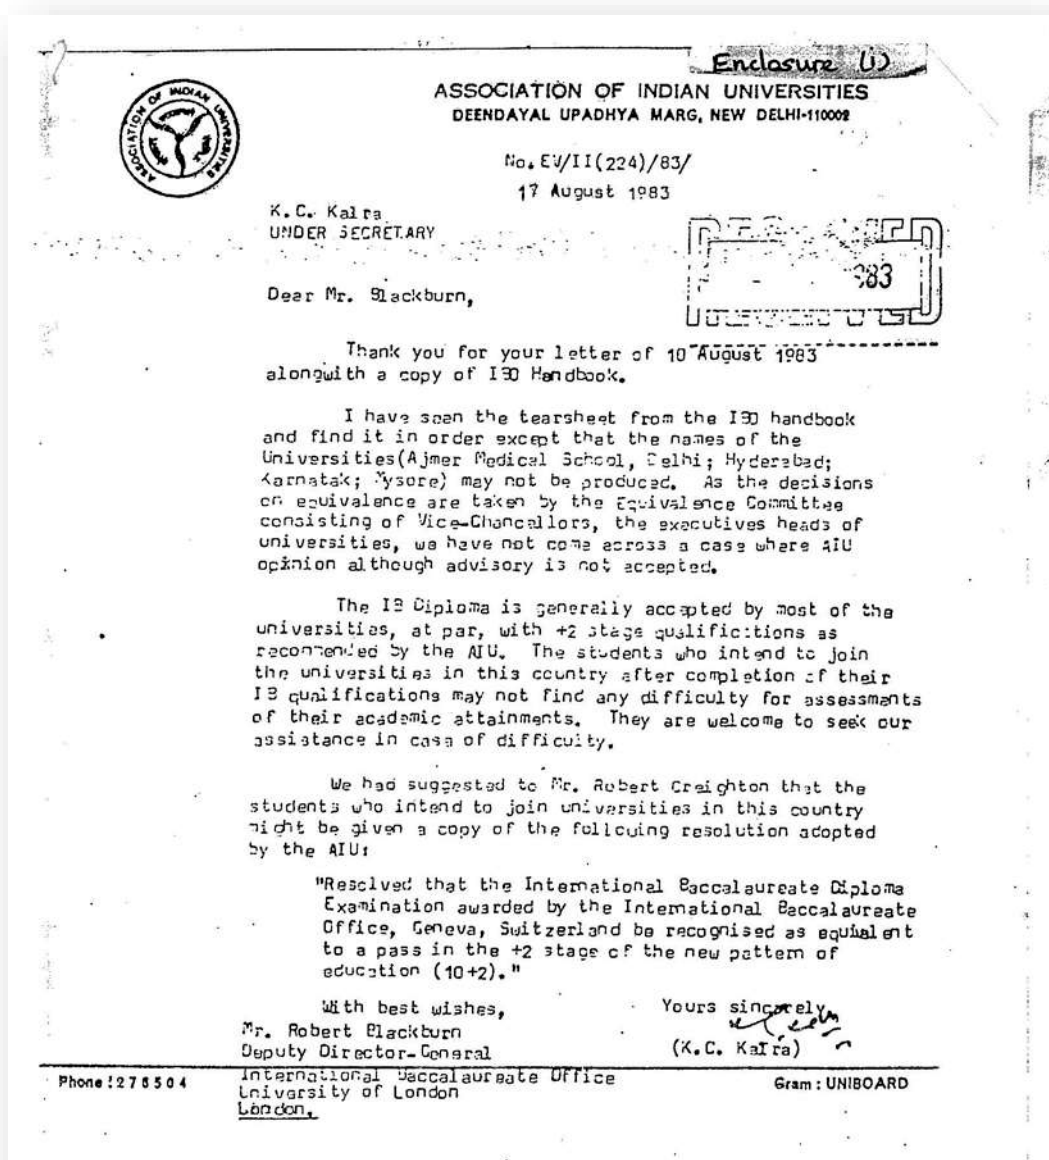

Character Certificate from school if applicable

Transfer certificate from School if applicable

Note: Since admission to most colleges in India take place much before the results are released, it may help students to take a copy of Association of Indian universities recognition statement, a copy of the recognition statement of the university if available, a letter from the stating the date of results release. Students must also take a copy of predicted grades with past performance in a sealed envelope for universities

Dear Sir,

This has reference to your request dated 10th November, 2010 seeking clarification on the recognition of IB Diploma.

In this connection we would like to inform you that "International Baccalaureate Diploma" awarded by the International Baccalaureate Organization, Geneva, Switzerland, has been equated with +2 stage (Grade 12) qualification of an Indian Board since 1983.

Students intending to join Indian Universities after completion of their IB qualifications are eligible to pursue Bachelor's degree programme at Indian Universities.

Those intending to join Professional Degree programmes at Indian Universities viz. medicine/engineering etc. are required to have studied the subjects of Physics, Chemistry, Biology/Mathematics and English at the qualifying level.

Students after obtaining their IB Diploma can obtain an Equivalence Certificate from this office which is issued on a remittance of equivalent amount of US \$ 200, in Indian currency, in the form of Demand Draft only, favouring the 'ASSOCIATION OF INDIAN UNIVERSITIES', payable at the New Delhi branch of the issuing bank.

Thanking you,

Yours faithfully,

Sambhav Srivastava
Section Officer (EV)

New Equivalence Policy for the IB Diploma Programme by AIU (2016)

Following the meeting of the AIU's Governing Council on 30th June 2016, the following amendments have been done for equivalence of IB Diploma Programme Qualifications.

IB Diploma/Course (Certificate) "AIU shall accord equivalence to both the IB Diploma and the IB Diploma Course (i.e. IB Certificate) provided that a student has secured a minimum of 24 credits and has passed a minimum of three subjects at Higher Level (HL) and three at Standard Level (SL)"

The amendment can also be downloaded from

Dear Madam,

This has reference to your letter dated December 5, 2012 on the parity of Middle Year Programme (MYP) conducted by International Baccalaureate Organization, Geneva, Switzerland.

Middle Year Programme (MYP) conducted by International Baccalaureate Organization, Geneva, Switzerland has been equated with Grade 10 of an Indian Board for the purpose of admission to higher studies in a school in India.

Candidates having passed the above examination can obtain equivalence from this office on a remittance of equivalent amount of US\$ 200/- (in Indian Currency) in the form of Bank Draft favouring Association of Indian Universities payable at New Delhi.

Thanking you,

Yours faithfully,

(Sambhav Srivastava)

Subject: Verification/ equivalence of IB Diploma

This is in reference to the equivalence of the **International Baccalaureate Diploma for equivalence** to Grade XII qualification in India.

COBSE grants membership to boards/institutions that are set up by an Act of Parliament or State Legislature or by an Executive Order of the Central/State government, and follow the National Curriculum Framework/ CBSE. On the basis of this, the genuineness of a board can be concluded. The Associate Members are also granted membership on verifying the syllabus/ curriculum and system of examination. The certificates issued by its member-boards/ Associate Members are equivalent to any other member-board across the country.

As an Associate Member of COBSE, the qualifications awarded by International Baccalaureate Organization are equivalent to Grade XII of an Indian Board/ Council. The equivalence has already been granted by Association of Indian Universities.

Yours sincerely,

Puran Chand

Ref. No.COBSE/C.99/2014

21 January 2014

Dear Sir/ Madam,

Subject: Equivalence to MYP of the International Baccalaureate

This is in reference to this office letter dated 15th March 2013 regarding grant of equivalence of the Mid-Year programme (with 5 subjects) of the International Baccalaureate to Grade-10 of Indian Boards for the purpose of pursuing higher studies.

This is to inform you that in response to the request, the Maharashtra State Board of Secondary & Higher Secondary Education, Mizoram Board of School Education, National Institute of Open Schooling and the Association of Indian Universities have already issued a letter of equivalence to the Middle Years Programme of the International Baccalaureate. A copy each of the letters issued so far by the member-boards and the Association of Indian Universities is enclosed herewith for your kind perusal and reference.

Based on the equivalence already given by the member- Boards and the Association of Indian Universities, COBSE recommends that the MYP programme of the International Baccalaureate, an Associate Member of COBSE, be treated at par with Grade 10 by all other member-boards of COBSE. In case you need any further clarification or information, in this regard, please feel free to write to Ms. Priyamvada Taneja, Development Manager, India, International Baccalaureate Organization (Singapore Branch), IB Global Centre, 600 North Bridge Road, Parkview Square, Singapore-188778 (Email: priyamvada.taneja@ibo.org; Mob:09717828484) under intimation to this office.

With regards,

Yours sincerely,

Suggested Conversion for Higher Education for students applying to Indian Universities

International Baccalaureate Diploma has been recognized by the Association of Indian Universities as an entry qualification to all universities in India. With the requirement for percentage conversion by universities in India, students applying to Indian universities receive a transcript with IB grades and - percentages within 1 working day from the release of results for the May and November session exams. The table below provides the range of IB grades to percentage scores. Universities in India ask for percentage conversion of the predicted grade transcript as well at the time of admission, schools may use this suggested conversion for calculating the equivalent marks on a scale of 1-100 by giving the midpoint of the range indicated for a particular grade.

IB Grade to Marks Scheme

| IB Grade | Indian Equivalent Marks | |
|----------|-------------------------|-----|
| | From | To |
| 7 | 96 | 100 |
| 6 | 83 | 95 |
| 5 | 70 | 82 |
| 4 | 56 | 69 |
| 3 | 41 | 55 |
| 2 | 21 | 40 |
| 1 | 1 | 20 |

Provost

To
Priyamvada Taneja,
Development Manager, India
15 Hoe Chiang Road
#11-04/05/06 Tower Fifteen,
Singapore 089316

September 12, 2012

Dear Ms Taneja:

Kindly refer to your letter of August 01, 2012 regarding the issue of recognition of IB Diploma as equivalent to 10+2 certificate issued by any Indian School Board for admission consideration at Ahmedabad University. This issue was discussed in the Academic Council meeting of the University in its meeting on August 27, 2012. The Academic Council of the University has decided to approve your Diploma for admission to the programme as equivalent to 10+2 school certificate of any Indian school board.

Regarding the provisional admission to the IB students, we are unable to make a commitment at this point of time as all admissions are based on the University norms as well as the Government of Gujarat directives.

With best wishes,

Yours sincerely,

AH Kalro

IB student policy & procedure for admissions

1. Admissions Statement

Annapurna International School of Film and Media (AISFM) values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

2. Admissions Requirements

Each year, AISFM selects a diverse group of applicants to join our student body. We look for applicants who show both creativity and an appetite for academic rigor and can balance proactive expression with collaboration and teamwork.

For IB students, there is no minimum requirement of total scores or particular course credits for admission to AISFM bachelor's programs. All students who have been or will be awarded 'The Diploma of the International Baccalaureate' are eligible to apply.

In assessing your application, our admissions department will review your predicted IB score, as well as the results of our own entrance exam, interviews and practical exercises.

For complete application details and course brochures, please contact the admissions department at info@aisfm.edu.in.

3. Admission Procedure

Our admission procedure is designed to provide applicants with a range of opportunities to demonstrate their strengths and interests.

3.1. For Domestic Students

The four steps are

1. Entrance Exam
2. Group Discussion and Presentation
3. Personal Interviews
4. Group Practical Activity

While the admission steps are usually held over multiple weekends, IB students will be provided with the opportunity to complete the entire procedure in a single day.

3.2. For International Students

International students (holding a non-Indian passport and located outside India) have the option of applying through:

1. Online entrance exam

2. Video call interviews

International students will need to submit their certificates for equivalence assessment, before any final offer can be made.

4. Scholarship and Advanced Standing

4.1. Scholarships

AISFM provides partial scholarships from the 2nd semester of the course onwards, based on academic performance in the previous semester.

For more information, please call the admissions department.

4.2. Advance Standing / Placement

AISFM does not offer advance standing, credit or placement in any courses.

5. Documents Required for Admission

AISFM requires that Indian students submit the following documents at the time of admission. While students may join AISFM on the basis of a conditional offer letter, the final university enrollment will not be confirmed until all documents are submitted.

- Class X certificate
- IB transcript
- Migration certificate
- Transfer certificate
- Conduct certificate

6. Additional Information

- Academic session starts in the month of July every year.
- Intake into the school happens once a year. The admission process usually begins in October, for the following year.

Policy for International Baccalaureate

Office of Admissions, Ashoka University

1. Admissions Statement

Ashoka University values the International Baccalaureate (IB) Diploma Programme, and its engaging and challenging curriculum that encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

2. Admissions Requirements

We aim to admit a diverse and balanced batch of students who will bring a wide range of life experiences to Ashoka. Our application process is designed to showcase your strengths and assess your potential to contribute to our academic and community life. We look for authenticity and excellence -- of any kind. We look to see if you have shown concern for others, an ability to work collaboratively, and maturity in your life so far. We look for students with a demonstrated passion and ability for intellectual engagement as well as an abiding interest in the world beyond the classroom.

Ashoka University has a holistic and rigorous admissions process, but there is no minimum requirement of total scores or course credits for entry to any of the courses at Ashoka. All students who will be awarded 'The Diploma of the International Baccalaureate' or have already been awarded the same are eligible to apply to Ashoka.

We base our admissions decision on the predicted score submitted by the student's school to us, academic performance in senior school, extra-curricular activities and two essays that are mandatory as a part of the application form. We expect the student to share the IB result with us as soon as they are declared. A considerable difference in the final and predicted results may lead to reconsidering our admission decision. In such cases, we will issue a conditional offer, in advance.

English is the official language of instruction at Ashoka University. All prospective students must demonstrate competency in the English language prior to admission.

3. Admissions Procedure

3.1 Procedure for admissions:

We have in place a holistic selection process aimed at determining both the fulfilled and potential merit of an applicant. Unlike the current system for admissions in India, **we do not rely on cut-off marks alone**. Academic scores will be consolidated by attention to personal essays, extra-curricular achievements and expressions of intellectual curiosity. Every shortlisted candidate will also be interviewed. To know more about our admissions process log on to: <http://ashoka.edu.in/Admissions/Undergraduate/Admissions-Process>

3.2 International/Foreign Student Admissions:

All students (domestic or international) follow the same admissions procedure.

4. Special Considerations, Credit and Advancing Standing

4.1 Scholarships:

Ashoka is committed to providing financial aid to all deserving students. Our post-graduate programme, Young India Fellowship is a showcase of our commitment to making a liberal education accessible to all.

IN COLLABORATION WITH

Carleton College

SciencesPo.

Financial Aid at Ashoka will be in the form of need-based scholarships, which means that the amount of scholarship awarded will be related to a student's financial need. These scholarships will either be full or partial scholarships of 100, 50 and 25%, which will cover the tuition fees of the recipient. Please note that the scholarship will not cover accommodation and other living expenses except in exceptional circumstances.

Students must apply for scholarship at the time of application to the University.

Points to keep in mind:

- Aid at Ashoka is only in the form of grants (scholarships) and not loans.
- Ashoka offers scholarships based on need of the student (merit will lead to admission)
- Applicants from the state of Haryana will be given special consideration for aid opportunities as per the Private Universities Act of Haryana.

4.2 Awarding Credit and Advanced Placement:

Ashoka University recognizes IB achievement by awarding credits that may be counted towards the number of courses required for graduation. Out of the 32 credits required for graduation from Ashoka University, not more than two may be satisfied by IB credits. Ashoka University recognizes the IB higher level examinations, when awarding credit, course exemptions and placement.

Credits may not be used for exemption from Ashoka Foundation Courses. Awarding credits for departmental classes is the final discretion of the respective department chairs.

The official International Baccalaureate transcript is required in order to award credit.

4.3 Core Requirements:

We do not offer additional elective credits for the core requirements of the IB Diploma Programme. The core requirements can be used to enhance a student's candidature in other sections of our application.

4.4 Advanced Standing:

To be eligible for advanced standing a request must be made at the time of application. Final decisions on the same will be made in consultation with the academic advisor assigned to the student.

5. Additional Information

- Request for transcripts of final results and other documents: Ashoka University requires the student to submit the Indian transcript, migration certificate, and transfer certificate at the time of admission.
- Academic session starts in the month of August, every year.
- Intake into the University is once a year. Admissions process usually starts in October, for the following year.

Auro University is committed to providing a well-rounded and integrative learning experience at the undergraduate level in a multiplicity of disciplines. The depth and rigor of the IB curriculum, in our view, provides an excellent platform for those seeking to join our university.

Recognition of IB Diploma

AURO University encourages IB students to apply. We recognize the IB Diploma and there are no mandatory courses which are pre-requisites for admission to AURO University. For admission purposes, the IB Diploma is considered the equivalent of Class XII of any Indian state board, ICSE or CBSE and all IB students have equal opportunity for admission. We have waived the requirement of submitting predicted grades for students applying from IB schools within India.

Selection Procedure

Applications will be shortlisted based on:

- Past academic credentials.
- Completion of Application Form including Statement of Purpose
- Writing skills
- Personal Interview

Eligibility Criteria

- Successful completion of Class XII (10+2) or equivalent examination in any stream with 50% aggregate marks or equivalent grade. Students expecting their results by July 2016 may also apply for provisional admission.
- Students appearing for their Class XII examination will be given provisional admissions based on their Class X performance.
- Any IB student who has received IB diploma needs to produce an equivalence certificate issued from Association of Indian University (AIU) which must be attached with the application form.

About AURO University

AURO University was established in 2011 as a private University and is inspired by the vision and teachings of Sri Aurobindo Ghosh and The Divine Mother. AURO University is grounded in value based education and imparts integral learning and leadership, where the mind, body and spirit are aligned and prepared to embark on a journey of lifelong enrichment for both, the individual and the community.

AURO University imparts quality education in Management, IT, Law & Hospitality Management. From academic year 2017 the University is planning to launch the Schools of Social Science and Liberal Arts.

Thank you for considering AURO University

ABOUTACADEMICSRESOURCESOFFICESRESEARCH & CONSULTANCY

Faculty of Design

Programs

- Bachelor of Interior Design
- Master of Interior Architecture & Design
- International Master of Interior Architectural Design
- Master of Design - Furniture

Eligibility

Minimum Qualifications & Eligibility Criteria

Candidates will have passed XII Standard Higher Secondary Certificate Examination of Gujarat State in Science Stream (or its equivalent in CBSE/CISCE/NIOS/ISB/IB) with Physics & Mathematics as compulsory subjects and Chemistry / Biotechnology / Biology / Computer as optional subject (all at higher/advance level) securing a minimum aggregate score of 50% for all subjects (45% for SEBC/SC/ST candidates). In all the cases, aggregate will be calculated based on all the subjects including languages, optionals, practical's, etc. Failure in any subject disqualifies the candidature. Applicants having equivalent qualifications other than those stated above will have to submit an attested copy of equivalence certificate along with the application.

Candidates awaiting HSC result and candidates who have applied for verification/rechecking of marks may also apply. Such candidates will have to produce a certificate from the principal of the high school that he/she has appeared in the XII Standard examination of the Science Stream. The candidate must submit final mark sheet on or before the stipulated date and time and satisfy the minimum requirements failing which admission will not be granted.

Ref. No. : DPU/1463/2011
Date : 17.12.2011

Subject:- Recognition to IB Diploma Programme.
Reference:- Your E-mail dated 8th December 2011

Madam,

With reference to your e-mail dated 8th December 2011, I am pleased to inform you, that Dr. D. Y. Patil Vidyapeeth, Pune has recognized the **IB-Diploma Programme of International Baccalaureate Organization, Geneva, Switzerland equivalent to (10+2) qualification /HSC examination of any recognized Board/ University after 12 years of study, at the meeting of its Board of Management held on 5th December 2011.** However, to secure admission to Professional Courses it will be necessary for the school, which is recognized to offer IB Course, to get permission for the students to offer three science subjects instead of two which is the normal IB Practice. Furthermore, such students shall obtain an Equivalence Certificate from the Association of Indian Universities (AIU).

The admission for all the **Domestic IB-Diploma** students to any Programme Offered by Dr. D. Y. Patil Vidyapeeth, Pune is through All India Common Entrance Test (AICET) organized by Dr. D. Y. Patil Vidyapeeth, Pune which will be held in the Month of May/ June every year and notified through **All India Newspapers and through the University Website - www.dpu.edu.in** minimum two months prior to the Entrance Examination.

Admission for **International IB-Diploma** students to any Programme Offered by Dr. D. Y. Patil Vidyapeeth, Pune is through NRI/PIO/FN Category - Candidates under this category do not require to appear for AICET. Admission will be made in the basis of inter-se-merit as determined by Admission Committee appointed for the purpose by the competent authority.

The deadlines for application will be announced in the Calendar of Events of every programme on the University Website. However, the admission process ends by 30th September of every year.

This is for your information & necessary action.

Thanking you,

Yours faithfully,

(B. S. Mane)

Dear Ms. Taneja,

This is with reference to your communication to our Director, Prof S.C Sahasrabudhe, regarding acceptability of the International Baccalaureate (IB) qualification for admission to the B.Tech (ICT) program of DA-IICT.

As stated in the admissions policy of DA-IICT appearing on our website, a candidate must have passed the final examination of 10+2 (class XII) or its equivalent with Mathematics, Physics and anyone of Chemistry / Bio-Technology / Computer Science / Biology. It is further stated that any Public School / Board / University examination in India or in foreign countries recognized by the Association of India Universities as equivalent to the 10+2 system is accepted. As such students with the IB qualification are eligible.

I would further like to inform you that we have admitted several such students for the 2012 batch and in prior batches. The candidate has to follow the admission procedure for Indian nationals or for International / NRI students as described on our website.

Yours sincerely,

Prof. Samaresh Chatterji

UNDERGRADUATE PROGRAMS

POSTGRADUATE PROGRAMS

DOCTORAL PROGRAMS

Undergraduate Programs

Minimum Eligibility

The minimum eligibility to apply to FLAME University's undergraduate programs is the following:

- You must have passed Higher/ Senior Secondary School (10+2) or its equivalent examination from a recognized school / board with at least 40% marks, with English as one of the subjects.
- Candidates in their 12th standard or equivalent class can also apply, provided they would be completing their final examination before 30th May, and can produce their 12th pass certificate / mark sheet before 30th September. Admission of such a candidate shall be strictly provisional till s/he submits the qualifying certificates before the prescribed last date.
- If you wish to pursue BBA subsequently, 45% marks is a minimum requirement in 12th Standard.
- For International Baccalaureate students, a diploma is the minimum requirement. An International Baccalaureate certificate student is not eligible for admission.

22 February 2011

Priyamvada Taneja
University Liaison Officer
Asia Pacific Regional Office,
15 Hoe Chiang Road, #11-04/06 Tower Fifteen,
Singapore 089316

Dear Ms. Taneja,

I am writing in response to your mail of December 7, 2010. We would be happy to consider the IB Diploma Examination to be equivalent to the IIPUC/12th standard examination for the purpose of admission to our undergraduate programme. However, please note that this programme is at present open only to students holding Indian passports and they have to qualify for admission through a national examination such as KVPY, IIT-JEE, AIEEE and AIPMT. If a student is selected for admission and the results of the final examination are not available at the time of counseling (third week of June 2011), his/her admission will be provisional. When classes start in the first week of August 2011, the student will have to produce a marks card that confirms that he/she has studied Physics, Chemistry and Mathematics as main subjects and received a first class (60%) or equivalent grade in the final examination.

Please feel free to contact me if you need more information.

With best regards,

Sincerely,

5.3 Qualifying Examination (10+2 or Equivalent)

Candidates seeking admission to IIST should have passed their Qualifying Examination, with Physics, Chemistry and Mathematics as subjects of the curriculum.

Candidates belonging to GEN and OBC categories must secure an aggregate of at least 70% marks in **Physics, Chemistry and Mathematics (PCM)** in the qualifying examination and those belonging to SC/ST/PD should have an aggregate of at least 60% marks in PCM subjects in the qualifying examination.

The qualifying examination should be any of the following:

- The final examination of the 10+2 system, conducted by any recognized Central/State Board, such as Central Board of Secondary Education (CBSE), New Delhi; Council for Indian School Certificate Examination (ISCE), New Delhi, etc.
- Intermediate or two-year Pre-University examination conducted by a recognized Board/University.
- Final examination of the two-year course of the Joint Services Wing of the National Defence Academy.
- Vocational Higher Secondary Examination.
- Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.
- Any Public School/Board/University examination in India or in any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
- General Certificate Education (GCE) examination (London / Cambridge / Sri Lanka) at the Advanced (A) level.
- High School Certificate Examination of the Cambridge University or International Baccalaureate Diploma of the International Baccalaureate Office, Geneva.

WELCOME TO JEE (MAIN)-2015

Admission criteria to Undergraduate Engineering Programs at NITs, IIITs, Other Centrally Funded Technical Institutions, Institutions funded by participating State Governments, and other Institutions shall include the performance in the class 12/equivalent qualifying Examination and in the Joint Entrance Examination, JEE (Main). The Paper-1 (B. E./B. Tech.) of JEE (Main) will also be an eligibility test for the JEE (Advanced), which the candidate has to take if he/she is aspiring for admission to the undergraduate programmes offered by the IITs.

The States of Gujarat, Maharashtra, Nagaland, Madhya Pradesh, Haryana, Punjab, Uttarakhand and Odisha have joined JEE (Main) system. Therefore, the candidates seeking admission to the institutions in these states, which were earlier admitting based on their State Level Examination, are also advised to fill in the JEE (Main) - 2015 application form online.

KiiT International School
(Under the Management of Kalinga Institute of Industrial Technology)
Bhubaneswar

KiiT University Admission and the IB Diploma

KiiT University values the International Baccalaureate Diploma Programme because it has a reputation for high-quality, challenging programmes of education that develop internationally minded young people to be well prepared for the challenges of life in the 21st century. We encourage IBDP students to submit their application in order to begin their journey to become part of KiiT University.

Who can apply?

Indian students studying the IB Diploma in India have to apply for undergraduate courses through the normal procedure described below. If you are a NRI, PIO, or foreign citizen studying the IB Diploma Programme overseas, you can apply directly to the university online. The admission is based on your courses selected and marks achieved on the IB Diploma. Normally, foreign passport students do not need to take the entrance test.

Admission requirements

Admission to KiiT University is highly competitive. In general, admission to most courses is based on the performance in IB Diploma Programme. Diploma Programme students must have secured at least 24 points (without any failing conditions) in order to begin the application process. Specific programmes at KiiT may require an entrance test.

Undergraduate courses

For B.Tech.(4years)/B.Tech & M.Tech-Dual Degree (5years)/B.Tech & MBA-Dual Degree (5years) Course:

Candidates should have achieved an IB Diploma (24 points, with no failing conditions).

Candidates should have taken Physics HL, Chemistry HL and Math HL, achieving at least a 4 in each.

B.Tech & M.Tech (Dual Degree) Biotechnology, candidates should have taken Physics HL, Chemistry HL and Math HL/Biology HL and achieved at least a 4 in each.

For B.Tech.-LE (3 years):

Candidates should have achieved an IB Diploma (24 points, with no failing conditions).

Candidates should have taken Physics, Chemistry and Mathematics, achieving at least a 4 as a HL or SL subject.

MBBS/BDS:

Candidates should have achieved an IB Diploma (24 point, with no failing conditions).

Candidates should have taken Physics HL, Chemistry HL, Biology HL & English and Mathematics, achieving at least a 4 in Physics.

B.Sc. Nursing (4 years):

Candidates should have achieved an IB Diploma (24 point, with no failing conditions).

Candidates should have taken Physics, Chemistry, Biology & English, and achieved an aggregate average of 4 points in each subject.

B.A.LL.B/BBA LL.B/B.Sc LL.B(5 years):

Candidates have achieved an IB Diploma (24 point, with no failing conditions).

For B.Sc. LL.B, candidates should have taken any combination of 2 sciences (Physics, Chemistry, Biology, Ecosystems and Societies) and achieved an aggregate average of 4 points in each subject.

BBA / BCA (3 years):

Candidates should have achieved an IB Diploma (24 point, with no failing conditions).

Candidates should have taken any combination of Mathematics with Economics HL or Business and Management HL, achieving at least a 4 in both subjects.

Bachelor of Fashion Design (4 years):

Candidates should have achieved an IB Diploma (24 point, with no failing conditions).

Candidates who have taken Group 6 subjects such as Visual Art, Film, or Theatre Art at SL or HL are preferred.

Bachelor of Film & Television Production (3 years):

Candidates have achieved an IB Diploma (24 point, with no failing conditions).

Candidates who have taken Group 6 subjects such as Visual Art, Film or Theatre Art at SL or HL are preferred.

Procedure for admission

IB results are declared on July 5th worldwide and are made available to KiiT University by July 10th. IB students applying to KiiT University will be accepted on predicted grades, personal merit (based on references and letters of recommendation) vacancies for the course selected, and passing of pre-admission tests (where necessary). Students will submit all application material in scanned electronic format, including proof of past performance in Grade 10 and 11.

KiiT University also requires all students to obtain the South Asian Transcript and a migration certificate and submit it to us before the semester begins by first week of August. These documents can be obtained through your school IB Diploma Programme Coordinator via IBIS.

Dear Mr Vinayak Sudhakar,

Sub: Recognition of International Baccalaureate Diploma
Ref: Your Letter dated May 10, 2018

We would like to inform you that the International Baccalaureate Diploma awarded by International Baccalaureate Organization, Geneva, Switzerland is recognized by Krea University, Sri City, Andhra Pradesh, India, as equivalent to +2 stage (Grade 12) qualification for admission to different programmes offered by the University.

A candidate who has been awarded the above diploma is eligible to apply for higher studies at Krea University subject to meeting the eligibility criteria as stipulated by the University.

With regards,

Yours faithfully,

A handwritten signature in black ink, appearing to read "S. Sundara Rajan".

S.Sundara Rajan
Registrar and Chief of Staff

Lady Sri Ram College (affiliated to University of Delhi)

The college accepts applications from IB students. Students are accepted on predicted grades provisionally subject to merit, vacancies for the course selected.

<http://lsr.edu.in/faqs.asp>

Overseas Students and others who may have qualified through Indian/Foreign Boards

Q. May I join LSR College if I have completed the International Baccalaureate or other equivalent programme?

A. Yes. Admission requests from students who have undergone the International Baccalaureate programme/other equivalent programme are accepted. Our admission process starts in early June and completes by end Jun every year. During this period it is advisable for the student to be present in Delhi. The Admissions Procedure page on our website gives details of the admissions requirements for overseas students who may be Indian/Foreign nationals including for those who may have qualified through an Indian/Foreign Board. . We entertain the predicted grades as a basis for admission provisionally, subject to merit, vacancies for the course selected. There are no vacancies reserved for any category in LSR except OBC category. In case of delay in publishing of the IB results beyond 30 Jun, a confidential assessment of the candidate's capabilities, expected grades and chances of passing the IB programme are required to be sent by the Principal of the prospective student's school/college, to our College Principal, latest by 30 Jun. We offer only a Bachelor of Arts programme. The list of courses which qualify for admission is included in the Admission Form which may be downloaded from the website as a guide. There is no requirement for prospective students to approach the Foreign Students Adviser if they are an Indian nationals. The cut-off percentages for various courses should also be seen to assess whether you may gain admission to LSR. The IB Grades are converted to percentages in accordance with the guidelines laid down by the University of Delhi. (www.du.ac.in) given below.

F-23-1-16/2019/NIOS/SSS/Acct./83

Dated: 22.02.2019

NOTIFICATION: 16/2019

The NIOS is giving accreditation for Academic course to State and Central Boards. The Edexcel (Pearson), International Baccalaureate and University of Cambridge recognized school have been given equivalence by Association of Indian Universities (AIU). These centres have been granted recognition to conduct GCE, GCSE International GCSE International Advanced Level Examination and are having proper infrastructure at par with CBSE.

In pursuance of the recommendations of the 114th meeting of the Accredited Advisory Committee held on 28th December, 2018, the Competent Authority of NIOS has approved that the Edexcel (Pearson), International Baccalaureate (IB) and University of Cambridge recognized school and also having equivalency of Association of Indian Universities (AIU) for Secondary and Senior Secondary for Academic, Vocational and other courses of NIOS be given accreditation at par with CBSE. The procedure would remain the same at par with CBSE affiliated schools with regard to the accreditation process.

This issues with the approval of the Competent Authority.

Sub: Recognition to IB Diploma Programme

Ref: Your e-mail dated 30th May, 2012 & 4th June, 2012 and our mail dated 1st June, 2012

Madam,

With reference to above, I am pleased to inform you that Nirma University has already recognized the Diploma programme of International Baccalaureate Organization, Switzerland as equivalent to 10+2, long ago in year 2004 for admission to various Under Graduates programmes offered by the Institutes under the University.

However, please note that for admission into courses like B. Tech and B. Pharm the students can be considered eligible if they have studied Physics, Chemistry and Mathematics / Biology as the case may be, with the minimum marks prescribed by the Government of Gujarat from time to time.

Yours Sincerely,

D. P. Chhaya

Information for Overseas Students

- ▶ Admission to the five year B.A. LL.B. (Hons.), five year B.B.A. LL.B. (Hons.), three year LL.B. and one year LLM programmes at JGLS will be done on merit, based on performance in the Law School Admission Test—India (LSAT—India). LSAT—India is an all India entrance test designed by the Law School Admission Council (LSAC), USA and is conducted by Pearson VUE, LSAC's Affiliate. It will cover logical reasoning, analytical reasoning and reading comprehension. A sample test is available on the LSAT—India website: www.pearsonvueindia.com/lsatindia. International students who are not able to write our Entrance Test i.e. LSAT—India Exam in India have option to write the Law School Admission Test (LSAT) Exam conducted by Law School Admission Council (LSAC). The LSAT is a half-day, standardized test administered four times each year (February, June, October and December) at designated testing centers throughout the world. LSAT scores are also accepted for admission to JGLS. For details regarding this exam you can visit www.lsac.org.

Admission to Jindal Global Law School is not possible without submitting LSAT — India scores or LSAT scores conducted by LSAC.

- ▶ As part of the second step of the application process please duly fill the prescribed JGU/JGLS application form. The Application Fee for international students is USD 30\$, the cheque has to be made in favor of O.P. Jindal Global University. An online JGU/JGLS application is also available on the website: <http://www.jgls.edu.in/content/admission-information>.
- ▶ The Course Fee at Jindal Global Law School is same for a Foreign national or NRI/PIO student as for an Indian student. You should visit the relevant section on the website for Fee details of the programme of your choice.
- ▶ The Law School admits students from all nationalities who have studied from International Boards like [IB](#) Diploma or Cambridge CIE or the Officially Recognized Boards or Universities/Colleges of other foreign countries.

SCHOOL OF LIBERAL STUDIES

PDU Campus, Raisan Village, Dist. Gandhinagar - 382007, Gujarat, INDIA.

Phone : +91 79 23275240/44 Fax : +91 79 23275030

School of Liberal Studies (PDU) - IB recognition policy

I. Admissions Statement

School of Liberal Studies (SLS), Pandit Deendayal Petroleum University (PDU), offers a 4-year UG program in B.A. (Hons.), B.B.A. (Hons.) and B.Com. (Hons). SLS values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

II. Admissions Requirement

Determining the entry requirements for your university

Admission to SLS is competitive, and in general admission to most courses is based only on performance in the entrance test. The scores from any board are not considered while drawing the merit list.

Students can apply for any courses and there are no pre-requisites for the same. The only exception is B.Com.(Hons.) for which the student should have studied Accounting for 2 years prior to joining university.

Use of predicted grades and past performance

To make admission process very simple for IB students, we have waived the requirement of submitting predicted grades. We directly offer a 'provisional admission' if the student qualifies the merit list, and they can commence classes. They are required to submit their final IB gradesheet upon receipt of the same. If they are unable to provide a gradesheet and have passed their relevant papers in IB, the admission is revoked.

III. Admissions Procedure

Procedure for admissions

Domestic and international/foreign student admissions

If you are studying the IB diploma in India (irrespective of nationality) have to apply for undergraduate courses through the normal procedure mentioned on the university website.

SCHOOL OF LIBERAL STUDIES

PDPU Campus, Raisan Village, Dist. Gandhinagar - 382007, Gujarat, INDIA.

Phone : +91 79 23275240/44 Fax : +91 79 23275030

If you are studying the IB Diploma Programme overseas (irrespective of nationality), you can apply directly to the university online through the Office of International Relations. Admission is based on your marks in the IB diploma and you do not need to take the entrance test (as per 2015 admission norms, the policy for 2016 is yet to be announced).

Special considerations, credit and advanced standing

Scholarships

SLS does not provide tuition fee waivers. Instead, SLS maintains an economical fees to increase the program's accessibility to all students. Also, SLS provides financial and non-financial support to admitted students for academic travel, research, non-credit workshops, and equipment.

Awarding credit

SLS recognizes IB achievement (Diploma) and provides equal opportunity for admission.

V. Additional information

Requests for transcripts of final results and other documents

SLS does not require the student to submit the transcript at the time of admission if they are not yet available. However, the documents should be submitted immediately on availability to confirm the provisional admission.

Admissions Statement

Shiv Nadar University (SNU) values the International Baccalaureate Diploma Programme and its engaging and challenging curriculum, which encourages critical thinking, intercultural understanding and respect. We welcome applications from IB students.

Admissions Requirements

Admission to SNU is competitive, and in general for Undergraduate admissions we accept applicants from IB Board. In general IB candidates should have, or expect to achieve, an aggregate score of 32 with subjects combination as mentioned on the website against the respective program. Details of pre-requisite subjects applicable for each program can also be found on the university website at <http://snu.edu.in/>.

IB students applying to the university will be accepted on the basis of their predicted grades. **If eligible based on predicted grades** they would be awarded provisional admission, which would be confirmed once their final results are declared. The schools or students will submit their predicted grades and transcripts with past performance.

Below mentioned is the Eligibility of IB curriculum for the various programs:

ELIGIBILITY – Bachelor of Technology (B.Tech.) PROGRAMS

| Board/JEE (Main) Score | Basic Eligibility to Apply | Scholarship A | Scholarship B | Scholarship C |
|------------------------|--|---------------|---------------|---------------|
| IB curriculum | Aggregate score of 32 with subjects combination mentioned on the website | 39 - 45 | 35 - 38 | 32 - 34 |

ELIGIBILITY – Bachelor of Science (B.S.) PROGRAMS

| Board | Basic Eligibility to Apply | Scholarship D | Scholarship E |
|---------------|--|---------------|---------------|
| IB curriculum | Aggregate score of 32 with subjects combination mentioned on the website | 39 - 45 | 32 - 38 |

ELIGIBILITY – Bachelor of Arts (B.A.) PROGRAMS

| Board | Basic Eligibility to Apply | Scholarship D | Scholarship E |
|---------------|--|---------------|---------------|
| IB curriculum | Aggregate score of 32 with subjects combination mentioned on the website | 39 - 45 | 32 - 38 |

Admissions Procedure

All the students applying for the Undergraduate programs at the University have to go through the 4-stage Admissions Procedure irrespective of the board and the program applied for.

The table below explains the admissions procedure :

| Stage 1 | Stage 2 | Stage 3 | Stage 4 |
|--|--|--|---|
| Scores in Class 12 th (or JEE Main National Rank) | SNUSAT (for all schools) | Review of Application Form | Individual Assessment |
| Measure of academic proficiency and knowledge of core subject. Aspirants need to fulfill basic eligibility criteria to apply. | Measure of proficiency in language, ability to apply mind to simple problems, data interpretation, logical and abstract reasoning. Aspirants need to have a minimum score to be called for Individual Assessment. | Assessment of ability to contribute to and learn in SNU's environment. | Basic verbal communication, confidence, aspiration in life, assessment of ability to deal with SNU environment and enrich it. |

Shiv Nadar University does not have any reservation or quota and goes strictly by merit and the rules defined. This is to ensure the process is consistent, objective and fair for every candidate.

Indian/foreign student admissions

Indian/foreign students studying the IB diploma anywhere in the world have to apply for undergraduate programs through the normal procedure mentioned on the university website.

Special considerations, credit and advanced standing

Scholarships

Shiv Nadar University strongly believes in nurturing and encouraging the brightest minds to transform them into lifelong learners and leaders. To acknowledge such high potential academic achievers, Shiv Nadar University plans to offer generous scholarships to all the students enrolled in the Undergraduate programs at the University covering part/full expenses for the entire duration of the program. All undergraduate (Bachelor) programs at Shiv Nadar University are for 4 years (8 semesters) duration. For more information please visit <http://snu.edu.in/>.

Additional information

Shiv Nadar University requires the student to submit the transcript, migration certificate, transfer certificate at the time of admission.

Provisional Eligibility Certificate

[Print](#) | [Email](#)

Students passing the Class XII from other Boards i.e. ISC, CBSE, IB, other State Boards etc or Foreign Boards / Universities have to apply for a provisional eligibility certificate issued by the University of Mumbai at the time of admissions through the College. Therefore, candidates who accept the offer of admission to the College will be given the prescribed application forms for provisional eligibility. The duly filled in forms are required to be returned to the College with an attested copy of the class XII marksheet and a passport size photograph along with a prescribed fee of Rs.320/- for eligibility and Rs.500/- (towards verification of documents) total Rs.820/- The duly filled in application form will then be forwarded to the University of Mumbai for issue of the Provisional Eligibility Certificate.

Further, candidates admitted to the College on the strength of the provisional eligibility certificate issued by the University of Mumbai, are required to submit the original and attested copies of the following certificates/documents as mentioned below to the College Office before the close of the 1st semester or at the beginning of the 2nd semester. These certificates will be sent to the University of Mumbai for confirmation of eligibility to the respective courses in which he/she has been offered admission.

Priyamvada Taneja
University Liaison Officer
Asia Pacific Regional Office,
15 Hoe Chiang Road, #11-04/06 Tower Fifteen,
Singapore 089316

Dear Ms. Taneja,

I am writing to you with response to our email correspondence regarding recognition of IB Diploma for our undergraduate programmes. Symbiosis International University welcomes IB students to apply to our undergraduate programmes. The minimum score for the IB diploma students required is 24 credits with completion of Diploma. The deadline for UG applications is approximately by end of May. Registrations begin by November – December of the previous year. However, the student is required to login to check specific dates.

The International Students Admissions at Symbiosis Centre for International Education (SCIE) is designed taking into consideration the requirements and difficulties faced by International Students. The admissions are centralized for all the constituent institutes of Symbiosis International University and routed through the SCIE office. The application procedure is simplified in easy steps starting from the basic eligibility check of important documents to be submitted till the final payment, confirming the admission. All applications are evaluated on the following criteria: Academic transcripts of the students, English Proficiency test (for foreign National students), Statement of Purpose, 2 Letters of Recommendations and Curriculum Vitae.

Application information for INTERNATIONAL IB Diploma Candidates

Our application procedure is online. IB Board students will apply to the common application form available on our website www.scie.ac.in

Our admissions are completed by June end i.e. before the IB results are announced. Hence, SIU can only offer a provisional admission to all such students whose results are pending based on the predicted results from the school. Once the final results are announced the students are required to submit their final marksheet along with the Diploma completion document. If the student has secured less than 24 credits the admission will stand cancelled.

Please feel to contact me if you have any more questions.

Thanking you
Regards,

Rupali Chaudhary
Officer-in-Charge - International Admissions

CHAPTER 11

EQUIVALENCES

71. The various Boards have given equivalences to each others' examinations and consequently the transfer from one Board to another is possible on a point to point equivalence basis. However, each Board/University is at liberty to put eligibility conditions for the next stage e.g. Class XI or the 1st year of college or a professional course. In other words equivalence is only equating two examinations and Eligibility may have additional conditions prescribed by the Board/University.

As regards the foreign qualifications, this Board accepts the recognition/equivalence determined by Association of Indian Universities, AIU House, 16, Comrade Indrajeet Gupta Marg, New Delhi. AIU have recognized for purpose of admission to higher studies in India the qualifications of about 85 countries all of which are listed country wise in the AIU publication 'Equivalence of Foreign Degrees'. Once the terminal exams stand recognized, the lower qualifications are automatically acceptable after verification of the original authenticated certificates/documents.

POLICIES & PROCEDURE FOR EQUIVALENCE OF QUALIFICATION/DEGREES (UPDATED AS ON 30TH JUNE 2015)

EVALUATION DIVISION
ASSOCIATION OF INDIAN UNIVERSITIES (AIU)
16 Comrade Indrajit Gupta Marg,
New Delhi 110 002
WEBSITE: www.aiuweb.org

SCHOOL LEVEL QUALIFICATIONS FROM SCHOOLS AFFILIATED TO FOREIGN BOARD/OFFERING FOREIGN SYSTEM OF EDUCATION

36. AIU recognizes the system of education from across all countries of the world and equivalence is granted provided that (i) the foreign system of education prescribes a minimum of 12 years of regular schooling; (ii) the school is affiliated by a Board that has been approved/recognized; (iii) the school leaving certificate has been issued by the Board that has been approved/recognized/accredited in the country concerned;
37. Since the basic eligibility requirements for admission to Bachelor Degree Programme in India is Grade 12 OR an Equivalent Examinations, AIU accords equivalence to the School Level Examinations of a good number of Countries of the World so far, Conventionally;
38. Equivalence issued by AIU is accepted by the Universities in India for the purposes of admission or employment. Besides, the Centre/State Employment Agencies, UPSC etc. also accept the equivalence issued by the AIU;
39. As of now, the AIU has accorded Equivalence to some of the most popular Systems of School Education of the world i.e. the British System (GCE 'O' & 'A' Level), American System (High School Diploma), International Baccalaureate (IB) awarded by the International Baccalaureate Organization Geneva, Switzerland, French International Baccalaureate, 12 year General Secondary School Certificate Examination conducted in most of the Gulf countries etc;
40. The following is a list of +2 level qualifications and their nomenclatures recognized by AIU subject to that the education has been pursued only on REGULAR MODE;
 - a. 12 years Baccalaureate Certificate of Chad, Gabon, France and Tunisia;
 - b. International Baccalaureate Diploma awarded by International Baccalaureate Organisation, Geneva, Switzerland;
 - c. 12 years General Secondary Education Certificate of the Ministry of Education Bahrain, Egypt, Jordan, Kuwait,
