

## IGCSE Subject Choices Form

The subject combinations offered by TWA for Grade 9 and 10, IGCSE have been clustered in the following manner:

<b>Subject Choices</b>	
Compulsory	Optional
<ol style="list-style-type: none"> <li>1. First Language English or ESL</li> <li>2. Literature In English</li> <li>3. Mathematics</li> </ol>	<ol style="list-style-type: none"> <li>1. French or Spanish or Hindi</li> <li>2. ICT or Art &amp; Design or PE or Global Perspectives</li> <li>3. Chemistry or History</li> <li>4. Physics or Economics</li> <li>5. Biology or Business Studies or Computer Science</li> </ol>

The five electives have been clustered in such a manner that, depending on your choices, you could be eligible to register for the optional ICE (International Certification of Education) group award with Cambridge International in the final examinations. If you wish to be eligible for the ICE qualification, you will need to take a 2<sup>nd</sup> Language.

### **Attendance**

In order to succeed in IB DP, attendance becomes a major factor. This is why we require from our students to attend 90% of all school days during the year.

\* Please note that Global Perspectives will only be offered if a minimum of four students opt for this subject.
