Students must choose from various groups. Groups 1, 2 and 5 are compulsory for full IB DP students, in addition, at least one subject from group 3 and one from group 4. Group 6 maybe replaced by one of the other groups.

Students need to choose one from each block, depending on the groups. English B is only for those students that are taking ESL at the moment or haven't done any English Literature in grade 10. However this means they can't take the full IB DP unless they take a self-study Language A course, which needs to be discussed with them as the school would need an external guide to help the student achieve the assessment objectives.
